CUSTOMER TESTIMONIALS

"The Buddy® Reel is fantastic, I think it's great! It saves a lot of time and is a lot better than hand winding reels - I would recommend it to anyone. We have used it a lot, nearly every day with diesel and access mix for woody weeds. It's a beautiful thing - love it!"

**Tony Lawler - Spraying Contractor,
Inland Weed Control Services, Tamworth**

"Love it! Makes our job easier I can assure you. Definitely gets my tick of approval."
